

QuayStreet Balanced SRI Fund

31 December 2017

FUND DESCRIPTION

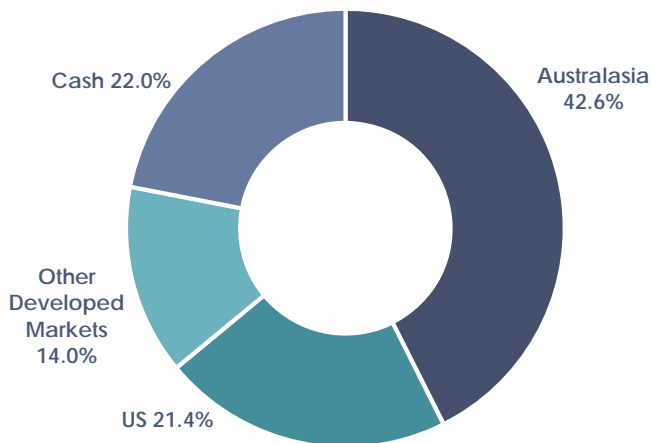

The guiding philosophy of the QuayStreet Balanced SRI Fund is to endeavour to have a diversified portfolio of investments that are deemed to be environmentally and socially sustainable, whilst still applying our traditional portfolio investment criteria. The Fund invests in a diversified portfolio of defensive and growth assets. The investment objective is to provide a level of return consistent with the target asset allocation and risk profile of the Fund. The Balanced SRI investible universe is smaller and this may affect the Fund's returns and volatility relative to a traditional balanced portfolio. Investment returns will vary considerably from year to year and may be negative.
