

QuayStreet Conservative Fund

31 May 2017

FUND DESCRIPTION

The QuayStreet Conservative Fund invests in a diversified portfolio of predominantly defensive assets such as cash, term deposits and fixed interest securities but will include a smaller allocation to growth assets such as listed property, infrastructure and utility securities and equities. The investment objective is to provide a level of return consistent with the target asset allocation and risk profile of the Fund. Investment returns will vary from year to year and may be negative.
