

QuayStreet Socially Responsible Investment Fund

30 November 2020

FUND DESCRIPTION

The guiding philosophy of the QuayStreet Socially Responsible Investment (SRI) Fund is to endeavour to have a diversified portfolio of investments that are considered to be environmentally and socially sustainable, whilst still applying our traditional portfolio investment criteria. The Fund invests in income and growth assets which are selected in accordance with our SRI Policy. The investment objective is to provide a return above the Fund's benchmark over the long term. The portfolio can vary between a Growth and a Balanced investment strategy, allowing the portfolio manager to adjust the Fund's overall risk exposure depending on market conditions. The socially responsible investment fund universe is smaller and this may affect the Fund's returns and volatility relative to a traditional portfolio. Investment returns may vary considerably from year to year and may be negative.
